

Town & Country CEDAR HOMES

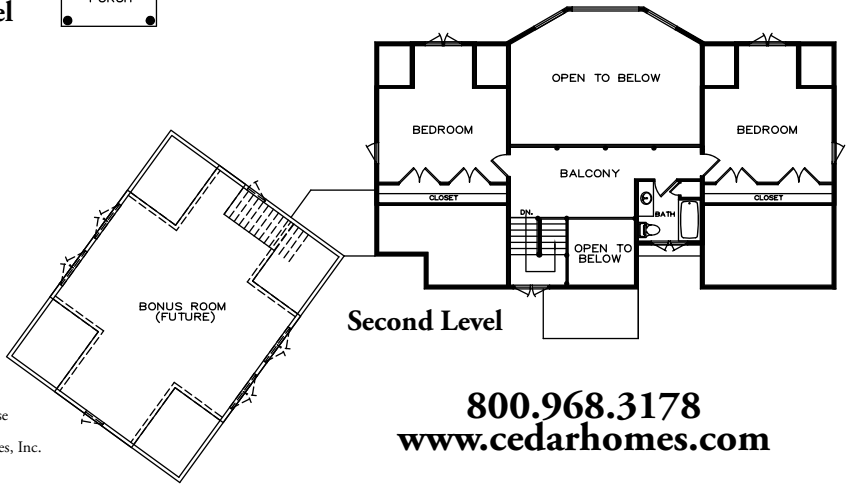

Glenwood

Award-Winning Design. The Glenwood contemporary log home is built for family living. Beautifully placed windows take advantage of your view, while a large, open floor plan accommodates you and your guests. With a private, first floor master suite including patio, this moderately sized home provides the perfect design for a getaway or for year-round living. Add on a finished lower level or garage with bonus room for additional living areas. This design is a proven favorite with gambrel roof lines, shed dormers and fieldstone fireplace!

The Glenwood:
 Total Living Area: 2604 s.f.
 Total Bedrooms: 3
 Bathrooms: 2 1/2

This floor plan may be customized to allow for less or additional living space, as well as created in alternative architectural styles or finishes.

**Town & Country Cedar Homes:
 No comparison. No compromise.**
